Last Friday, my classmate Wang Hong felt quite sleepy while we were having an English lesson. After talking with her, Mr. Zhang knew that she had a bad cold. Unluckily, Mr. Zhang had an accident when he was on his way to buy the medicine for Wang Hong. Even worse, he broke his left leg and had to be in hospital. Wang Hong went to see him, feeling moved and sad. However, Mr. Zhang told her not to worry. And the whole class wrote a thank-you letter to wish our teacher to get well soon.

I am really moved by what Mr. Zhang did. In my opinion, he is such a loving teacher who not only teaches us knowledge but also cares about us. Furthermore, he helps us to know that everyone can make the world a little warmer if we want to.
