The Story of Wang Ping

    At 9:00 am yesterday, Wang Ping was driving the bus along the road when he found an old man lying on the side of the road. A woman next to him was shouting for help. Wang Ping stopped the bus without thinking twice and got out. He knew that the old man had a heart problem. He told the passengers that he must take the old man to the hospital immediately. To his surprise, all the passengers agreed with him. Thanks to Wang Ping, the old man was saved by the doctors in time.

    As far as I'm concerned, Wang Ping, a young driver, has set a good example for us. We are supposed to learn from them and help others if necessary.
